

# See better – live better

## Locate a provider

You love choices – and so do we. That’s why our network has thousands of independent doctors and retail providers. Visit [eyemed.com](http://eyemed.com) to find one near you.

## Schedule an appointment

Call ahead or stop by one of the many providers that offers walk-ins. Most also have evening and weekend hours to fit any schedule.

## Receive benefits

When you arrive, let the provider know you have an EyeMed discount through NOKIA RETIREES.

Regular eye exams not only correct vision problems, they also can reveal early warning signs of more serious health conditions such as hypertension, cardiovascular disease and diabetes. So, schedule exams annually and you’ll be set on a path to better health.

## Keep on saving

You can use your EyeMed discount as often as you like, all year long, on nearly all your vision care purchases at our participating providers.
